

West End Bowls Club – Weekend Break, Dorset Bowls Resort

Friday 8 – Monday 11 March 2019

As the Dorset Bowls Resort continues to be very popular I have made a provisional booking for next year. The Dorset Bowls Resort is part of the Dorset Golf & Country Club at Bere Regis. The three rink indoor green, together with a small hotel block and extended clubhouse, was added to an existing golf resort in 2009. The resort is in a rural location but many of Dorset's tourist attractions are within easy driving distance. You will find booking slips in the clubhouse and on the web. Further details are on the resort's website - www.dorsetbowlsresort.com

Accommodation

Hotel rooms and shared Scandinavian lodge homes are available.

The hotel rooms are adjacent to and above the bowls green, close to the clubhouse and dining room. All have en-suite facilities, television and tea & coffee making facilities.

The lodges are in the grounds; 200-300 yards from the bowls green and clubhouse. They are spacious and furnished to a high standard. Each lodge has two or three self contained bedrooms with en-suite facilities. All have a shared sitting area with wood burning stove, kitchen, sauna and veranda.

Half Board

Starts with dinner on Friday, ends with breakfast on Monday. Lunches & snacks can be bought in the clubhouse until 5.00 pm

Bowling

I submit the teams and everything else is organised by the resort. The format depends on numbers but is usually a roll up on Friday afternoon followed by a rinks competition on Saturday and Sunday. We are limited to a maximum of 48 bowlers in the competition. Additional bowlers will be reserves. In the past all our reserves have played but this is not guaranteed.

Cost

£200.00 per person. (No single supplement - £15 discount for non-bowlers and reserve bowlers).

Places will be booked on a "first come, first served" basis. Guests are welcome but in the unlikely event that bowling places are oversubscribed priority will be given to members.

Please let me know ASAP if you would like to come. When I receive your cheque I can confirm your booking and accommodation choice. (Cheques payable to P TURNER and POSTDATED 10 JANUARY 2019).

Entertainment

The resort organises short, low key, relaxed family type entertainment on Friday and Saturday evening; e.g. Bingo, quizzes, possibly a singer. Any money raised by this will be used to support our extension fund. On Sunday evening there will be a prize giving session.

Insurance

There is no group insurance policy. Individuals are responsible for arranging their own insurance and may wish to take cover from 11 January which is when I will pay the resort.
