

Skipton vote

Have just been notified that our bid for a grant from the Skipton BS has been successful so we will be receiving £500 towards the cost of card tables within the next few weeks.

Apparently the competition was tough with more than 50,000 votes cast for the shortlisted groups so we did really well to make it!

Thanks to everyone who took the trouble to vote for us - I'm sure every vote counted.

Plan to go shopping for the card tables in the post Christmas Sales!

All the best
